Don't feel so
bad.

I only came
here to
apologize.

Kyok

Is your father
home yet ?
I was hoping
to apologize to
him as well ...

I know you
came when
my father
wouldn't be
home. Stop
playing.

That is partially true.
However, as
we both are
aware, we should
not be an enemy to
each other on
surface.

Therefore, please
just act with a
poker face and
let's be friendly.

Oh, yes.
I had forgotten for
a moment.
I apologize, lady
Yeong In.

Thanks for
realizing
the reality.

You sure look pleasant for someone who was dumped at his engagement party.

You also look very pleasant for someone who ran away from her engagement party, destroying your poker face, and chose some low-grade man.

It looks like years of my poker playing has its effect.
It didn't become the worst.

Besides,
the "low-grade man"
has potential.

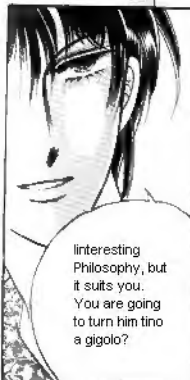

That's interesting.
Seung Ho worked
very hard to have freedom
he has right now.
It won't be easy for him
to give up on the freedom
now just because of you.
I will watch you two.

Sorry to disappoint you,
but the modern Pyeong-Kang
princess would never wait
for her Ondal to become
successful.
She'd rather become
successful by herself.

For my sake,
I do not want
to be behind
people.

interesting
Philosophy, but
it suits you.
You are going
to turn him into
a gigolo?

After all,
the only one
who is capable
of running the
family business
among the family
members are me.

It doesn't matter
that I am with a
gigolo.
It won't degrade
my value.

I guess I have to say that I am glad for you. But I wish you realized it sooner so that I wouldn't have to be involved with your little love conflict.

I am sorry about that. But didn't "your little love conflict" end up giving benefit for your father?

Shouldn't you thank me for that?

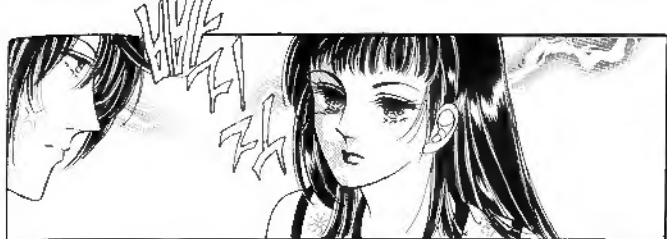

Not at all. I made it happen. So, I should be thankful for myself.

Oh, your little "phimosis operation" plan?

And who fell for that little plan?

If Ha Ji sees
you like this,
I bet you wouldn't be
devoted to you.

If Seung Ho knew
you were a witch
in heart, he would
have never decided
to spend his entire life
with you !

They are really made for each other.

They are the most perfect couple, I've ever seen.

But why did they ruin the engagement party though? They look so friendly ...

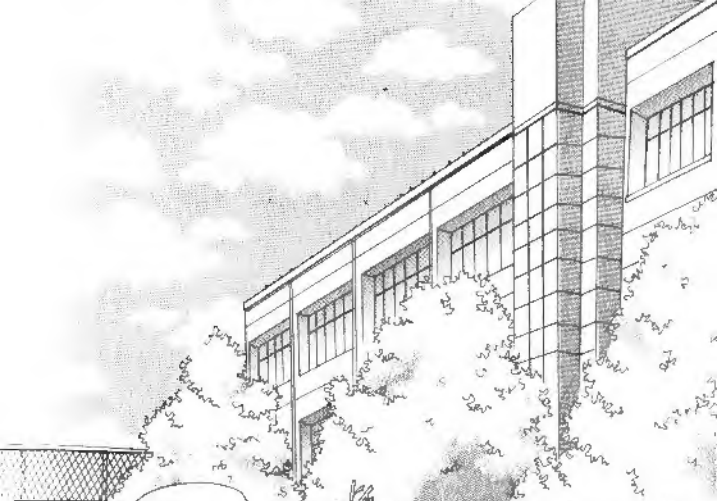

They must have had a tough fight. Look, they seem to have gotten over.

I will bet 10.000 won on their re-engagement party.

방긋

방긋

Did you hear ?

Is it false news?
But no way
would newspaper
carry false news.

Eh - what kind
of girl dumps
such a guy?

Anyway,
engagement party
when he's only
a senior at a high
school ... a completely
different world.

Hey you look fine
for someone
who just went
through pitv

ou took back
your freedom
in exchange of
a little embarrassment
Better than my case

am much
more capable
than you

Well guess must
apologize to you,
thought Jeong In
did really want you.

don't want an
excuse from someone
who thinks that he must
give whatever his
girl says she want

But thanks to your
foolish loyalty
I've managed to get
away from Jeong In

wanted
to let her go

We live in different worlds
She was just too good for me
And figured when you
get to know more about her
you might really fall for her

Talk about
a hedgehog's
love for her
children

expected you to
revenge me big time
for disappointing you.

didn't expect you to
give me a present in
the end

think you are
misunderstanding
me seriously did warn
you that you will be faced
with my vengeance

ou will soon
know

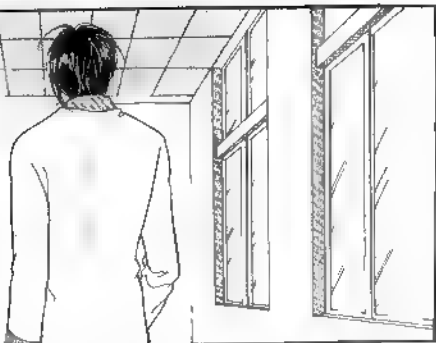

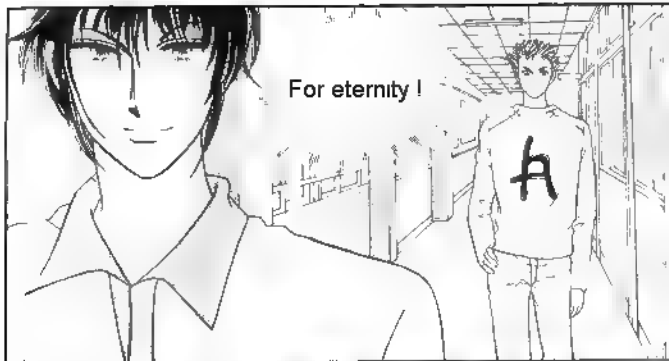

Of course -
you will taste
my vengeance

ou may think you
are lucky
But Seo eong In
will soon show her
true face

And when you realize
you have to live with
a witch you will
forever regret

For eternity !

Sim 100 ~

Athletic s
I've the
stamina test
coming this
thursdav

Ah
for seniors
it was today
right

Where are you
going
The class is
about to start

How did you
do

Well
not bad
guess

will see
you in the
cafeteria
at lunch time

you are
always at
the cafeteria
anyway

Pure and
innocent
compared to
eong In
Ha Il is an
angel

do have an eye
for women

eong In will never let
go of him even if he
wants to. She'd rather
have him
dead

He's kind of feel
sorry for him
now

simply because
he has a weird
taste in girls
he gets to end up
with one of the
worst kind

Even if he regrets later
bet Ha-li will act like a dog
and wouldn't let him go

And considering Ha-li's
dumbness and huge
jealousy
Sin-woo's future is so
obvious

A husband who
gets always
beaten

Poor dude

Wow ~
guess being
an actor gives
you many
benefits

Even if he does
come to school
it will not be
possible to invite
him to your house.
He has an active
drama going and will
be extremely busy

This is bad
The director
wants me to
take Mu Hyeon
home

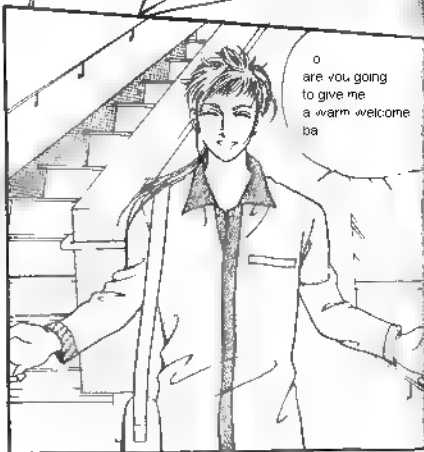

Han Seo !

It's Han Seo !

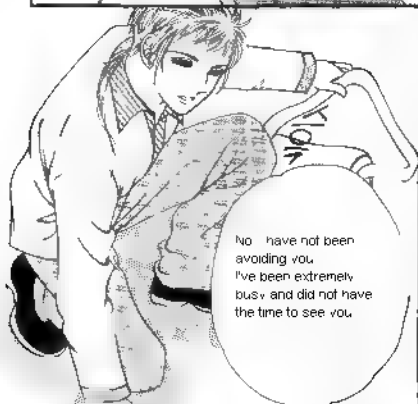

o
are you going
to give me
a warm welcome
ba

Bastard !
Today is your
funeral day !

파
악

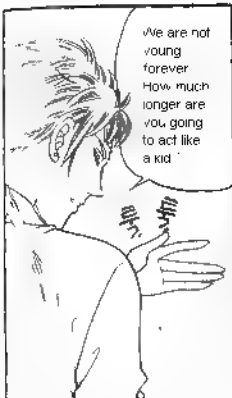

Why are you
not fighting
back

We are not
young
forever
How much
longer are
you going
to act like
a kid

our hair grew
It tells me 2 months
did went

am sorry
ou look
so alike
someone
know

iang Han Seo
would fight back
That's it
am the one
you are looking
for miss

You !
You !

have you had a
brain surgery or
something ?!

Still dumb
as before
see

Hi

Ahah
long time no see
Park Sin-woo

am going now
Iveong Hyeop is
a watchdog to me
these days

will see you
again soon
Park Sin 100

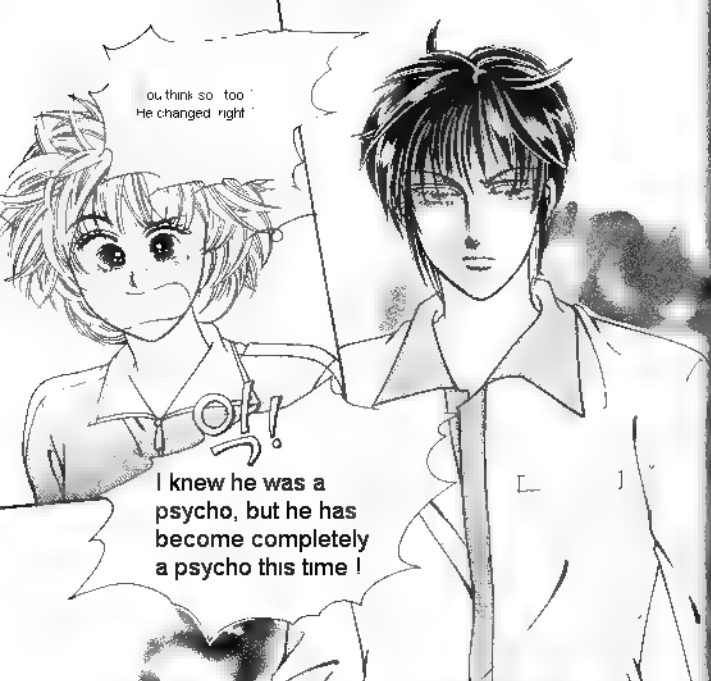

is that
really
Han Seo

He has changed

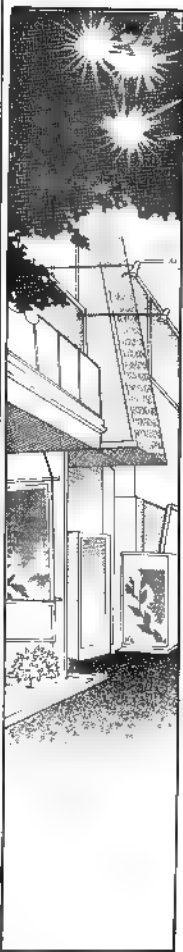

He who has very short temper
shows proper manner and
smiles. He even stuck out his
hand for a hand shake

What are you
up to now ?

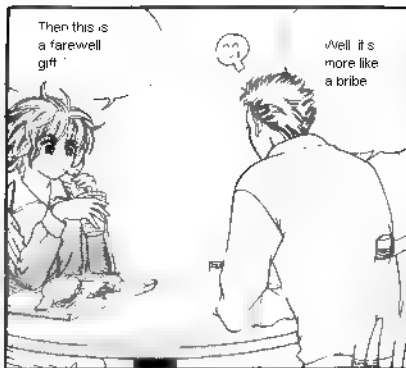

ou are going
to quit

es will be
here until
the winter
break though

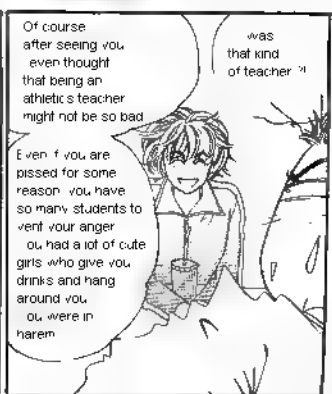

Then this is
a farewell
gift

Well it's
more like
a bribe

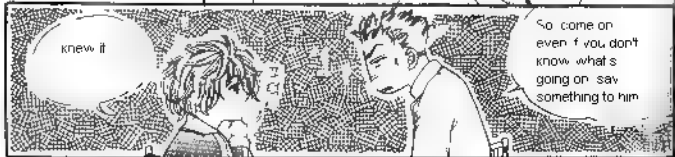

Bribe
What are
you trying
to ask me

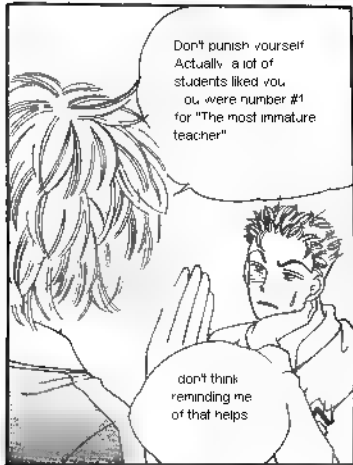

was only playing
like a teacher
in fact am not
qualified to be
any kind of teacher

knew it

So come on
even if you don't
know what's
going on say
something to him

Don't punish yourself
Actually a lot of
students liked you
ou were number #1
for "The most immature
teacher"

don't think
reminding me
of that helps

Anyway
if I was really
a teacher
wouldn't have
done threatening
my own
student

feel sorry
for what I've
done to you.

Although
don't really
have right
to say that

What?

ou don't have
to pretend Ha li

guess
should
thank for your
caring

would be what have
thought in the old days
But not anymore

Get up
let's go

is your
class already
over

Today is the
beginning of
face to face
discussion
with students
parents for
university
So left
early

Hold on
let me finish
these

후다닥

It's amusing that
she doesn't get fat

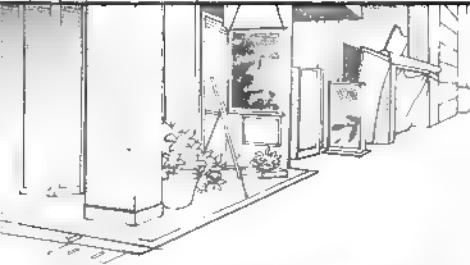

Oh man a pig eats
cleaner than her
seriously
if Sin 100 is not
a millionaire she
would lead her
family to dust

Burp
팩 팩
Burp

She does her best
not to leave any
food waste for
the environment

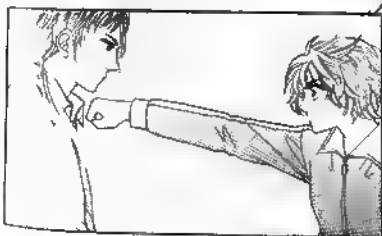

Please
at least
don't spill
food off
your
mouth

Understand that
my level of seeing
beauty has increased
due to eong in

!@#\$!
What are you
trying to pull
now ?!

why don't
you evade

f you really
wanted to hit
me you
wouldn't have
said anything

did not mean to
provoke you
in any way
am sorry f you
misunderstood

Who, who are
you really ?

푹
다다다

you are not rang Han Seo
He is selfish & arrogant narcissist
and all
he wouldn't get beaten quietly
but he has never stood on his
feet for an incoming punch

Oh, that's
a bad
score
you sure
do know
a lot for
an idiot

Don't be friendly
toward me
our knight is
going to get pissed

Although it is
only a coincidence
good timing Park
Sin 100
There is someone
who would like to
see you

Since we are
together now
let's call today
the day

What is he
trying to do ?

Sin 100

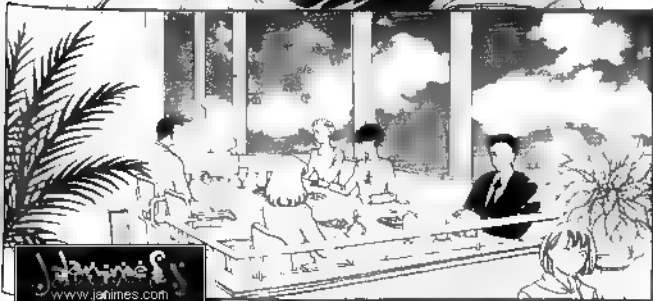

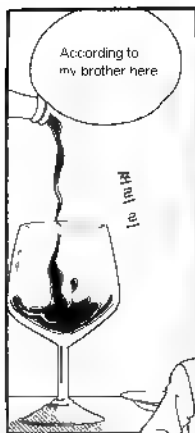

Now that you've fooled
me completely
are you happy

According to
my brother here

plutoni

was told that you two
don't have a very good
relationship

Although don't know why
know he was trying to get
his hand on you as well

But since it is you
Sir... too
trust that you can
put such an old
event behind you
and start over

owe you one
and he is the
last son of my
family

Being hostile
to each other
won't do both
of the families
any good

Yang Han Nam
I've never thought
you as someone
could trust at all

After all
you are from
the Yang clan
know that
even if you don't
like your blood
related people
you'd care for
them if they are
in a trouble even
if it means
destroying every
outside relations

But this is
too fast

He is being
acknowledged
by his family
too fast

Brother was
confused

... ..
but he didn't expect
you to refuse my hand
for settling the past
Poor him

Anyway
got to see
his cowardly
side today
Thanks to you

What are
you trying to
pull

suppose you have
something in your
sleeves since you are
acting like a puppy and
all

Sorry to disappoint
you but Ha Il is
no longer my
concern

I've grown up
That's all
The first thing
learned from
Japan was
admitting my
defeat

The Yang
Han Seo admits
that he has been
defeated
What kind of
comedy is this

Spending the last semester in Korea will be my last holiday.

As soon as graduate will have to leave Korea and be a good puppy for few years before am even allowed to come back.

My teenage hood has ended.

What are you trying to pull ?!

Why are you being so dumb all the sudden.

don't have
time for
the childish
play anymore

I have people to
protect and there are
people who expect me
to grow up. They
also wanted to settle
the hostile relationship
with you. So I am here

if we fight officially
we will only end up
in ruins

Choose
wisely

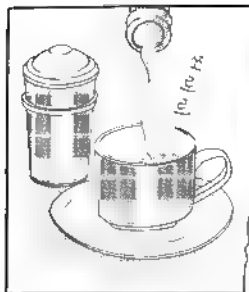

Brother

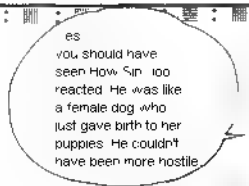

Don't
play
innocent

know exactly what
kind of person
you are

heard your
brother and
Sin 100 met

es
you should have
seen How Sin 100
reacted He was like
a female dog who
just gave birth to her
puppies He couldn't
have been more hostile

do
you really
have
nothing
against
Sin 100
anymore

Well don't like
the guy but
the time has come
and I've learned
to kill my own
feelings

Ha li was
feeling
uneasy for
seeing you
like this

Well to her
may look the
most dangerous

Anyway
get your hands
off Ha li and
Doberman
How long are you
going to play the
childish game

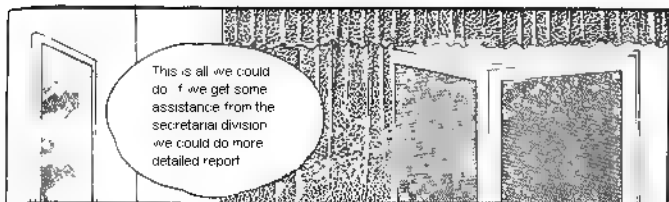

When leave Korea
you will be forced
to come with me
Get prepared

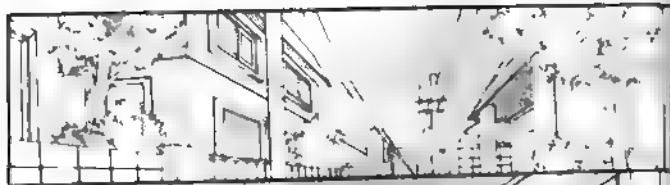

don't like this
Han Seo

Whether you like or
not you were
trained to be a killer
since you were a kid

Even if your dream is to
be just a normal salaryman
you and both can never
run away from this family

머-잉

What's so weird

Oh surprised me

It's not so like you. What's wrong

What are you mumbling about

Well

During breakfast only ate one bowl

Eh ? That IS weird !

Are you
worried about
something

No
have no
appetite for
no reason
My heart beat
rate is a little
higher also

instinct

you used to act
weird before
serious
incidents

your
animal
instinct
is kicking
in

Be careful for
a while
When you acted
like this always
a big accident
happened

ou two are made
for each other
you know that

쿨쿨쿨

ou should act more
properly
f you act too kindly
it will only bring more
suspicion

See
This is why
said you
have a morbid
suspicion

told you that
Ha li is no longer
my interest
One person with
a weird taste is
enough

I've decided to
walk on a path
of normal man

is it because of
Han Seo

ou seem to be
unstable lately

will wait for
you until you are
done with classes
will treat you
something good
for dinner

Oh man
it's getting cold

No wonder you are
cold ou are wearing
only a shirt
Even if it's still summer
night can be very cold

Ha li's friend
New face
you look like a
nerd

eah like
Iyeong Hyeop
who turned out
to be not so
nerd

ou guys are
here
looks like
gotta cook
more

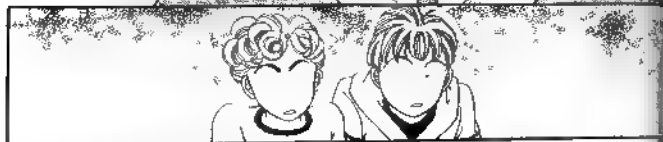

We are fine
really we
ate we
think

Of course
How could
elder brothers
let their sister
cook for them
No way

Good don't have
enough rice for you
two anyway

Sin too
just a little
more

am fine
take it easy

ou look like
you can take
some beating
like Mu Hyeon
you have some
muscles

es
you are qualified to
be in this house

How does he
look?
He looks fine
to me

eah and he looks easy
like him already

What grade are
you on?
2nd or 3rd?

3rd

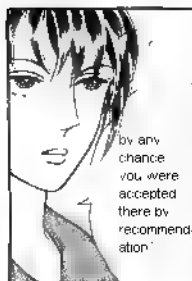

Ha li would
be in the 3rd
grade if she
wasn't in the
accident

Seoul uni
business
economics

Oh
We are
going to
your senior
then

Good
We urge you
to join our
club mountain
climbers

Which uni
are you
going to

see you
two have
some brains
unlike Ha Ji

don't think
we are smart

It was
power of
violence

No kidding
when our grade
went down even
by few points
we were kicked out
of the house in
middle of winter
with only pajama on

We had to
study before
we were allowed
to eat it was
for our survival

Mother became
even more violent
ever since she got
her job

yeah she was almost
close to an ordinary mom
when she didn't have her
job

Ha Ji used
to be a quiet
girl as well

yeah she
used to follow
us like a chick
She was cute
back then

She fainted
after seeing
a rat corpse

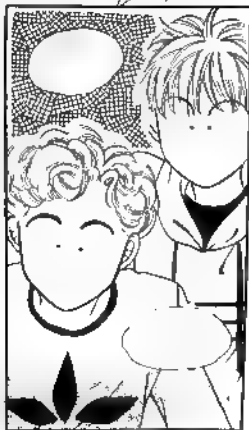

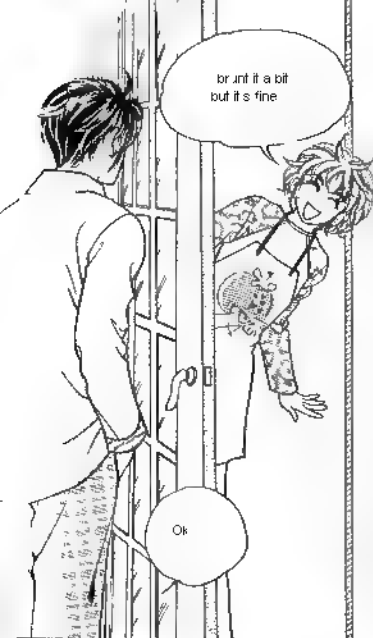

She cried for 2
days after some
kiddo lifted her
skirt

am just making sure
are you talking about
Ha li

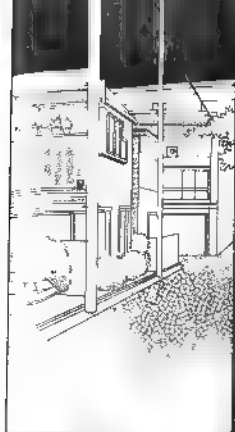

Of
course

Why has she become
like this

에후
The sin is ours
and perhaps
a little bit from
the gene

The brothers
were acting
weird

They seemed
pretty normal
to me considering
what they have
gone through

It's amazing
that you grew
up fine under
such conditions

Go home
now, I'm
calling a cab

ok

Ha Ji I

am all right
dodged

It must have been
a drunken driver
speeding in such
a narrow alley

hurt my knee
a little That's all

It's weird There are
so many parked cars
on both side of the alley
So no car ever speeds
here

Let's die together

Together to the
end
es that is what
my resolution should
be

Oh

You

What is
going on ?

I am not kind enough to
get punched for no
reason I am sure
you know that

On front you
ask for settlement
And you ram a car
on her from behind

What are you talking
about
Either you explain
better or
get out

While my will
is holding my
fists

Understand
that you are
angry. But
don't accuse
of an innocent
man

Ha li
used to see
her as a pet
but don't have
any reason to
ram her with
a car

don't like
repeating
this like a
parrot
This will be
my last time
that will
say this

Ha li is no longer
my interest
So do not bother
me anymore

rip -

Why don't you try
to be an actor

A show has to
be reasonable to
be fun for its
audiences

As you said
shall back off
for now
This is my
last warning

Whatever you
are trying to
pull stop
Or else

assure you that
you will be
successful

Sin 100
Park Sin
100

About
Ha li's
accident
Han Seo
has nothing
to do with
it

Han Seo
he used to have
different aura when
he was planning
something. He has been
calm recently. He hasn't
done anything

Besides, he hasn't
been paying attention
to you and Ha li at all

Don't provoke
him anymore
if you keep
provoking him
you will really
make him do
something

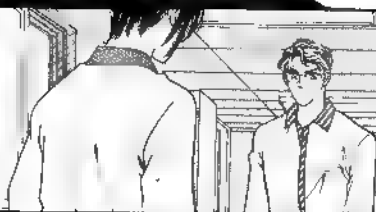

I've known
Ha-li since
middle school
I've grown to
care for her
I wouldn't let
Han Seo do
something to
harm her

He was
the one
who
declared
first

This is funny
very funny
indeed
I trusted you
a bit

Diversion now
must say you two are
doing fine

Tell Yang Han Seo
that his little plan
won't work on me

Snap out of it
Park Sin too

Open your head
and look inside of
you
you are not being
reasonable at all

Anxiety
disorder you
are feeling

He Ji attracts
accidents
And your
anxiety has
grown too
big for you
to bear

To prove that
you are involving
Han Seo for an
incident that
happens to
pretty much
everyone now
a days

Don't look at
me like that
Did you really
expect me not to
know about it
after you shook
the whole school
with the incident ?

Come on
please don't
accuse me of
anything
I am busy enough to
service the princess
don't have time for
a stupid dog

To me, you
are having
a trauma from
Aram Han's
death

I heard
that she had
a car accident
right in front of
you. I suppose
that memory has
begun haunting
you when you saw
Ha-li almost hit by
a car

Even so,
it is not so
like you.

Even if Jang Han-seo
was really involved,
this is not how you
should react.

Not again !

Forget about
Sin too fits
really a
misunderstanding
his hostility will
calm down with
time being

Creepy
bastard

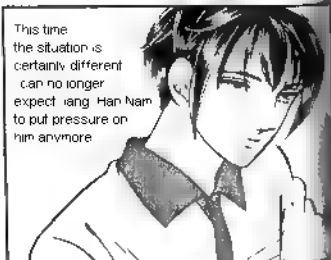

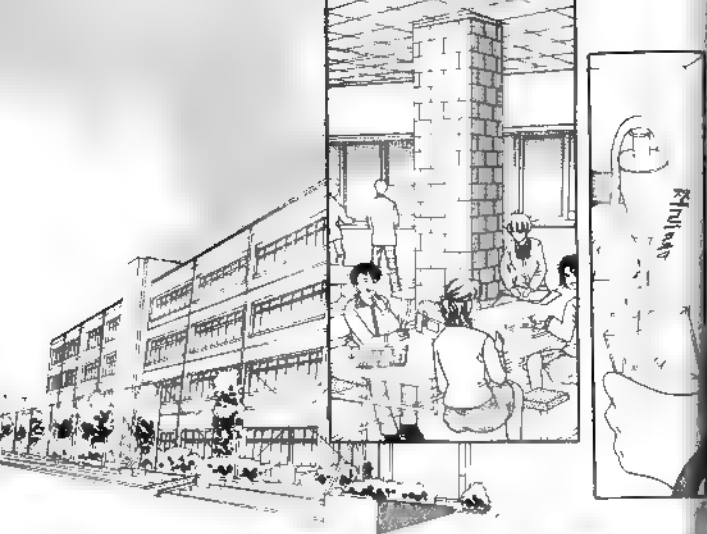

Don't you know
what kind of person
Iang Han Seo is?

Learning
admitting
defeat
Give up
No way

He would rather
kill himself than
admit that he has
been defeated!

But don't have the power to
put any kind of pressure on
the gang finally

And it's not like Gang Han Seo
has a steady position in his family
That means we both have to avoid
fighting on surface

f so

f so

sin 100

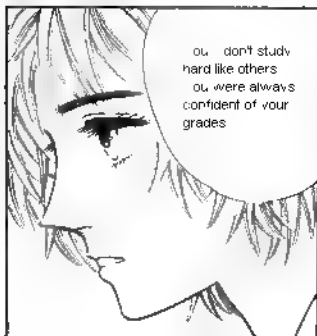

ou seem
to have a
fever

Go home
early ou've
been acting
weird

ou look
nervous
 lately and
you act like
you are
being
chased

This is the last
year in high school
have to prepare
for the exam like
the others

ou don't study
hard like others
ou were always
confident of your
grades

How is
your knee

My knee
It was only a
scratch It's
only normal for
me

No 1

하하

Sin Uoo ?!
What's
wrong ?

하하

하하

Sin Uoo?!

Snap out of it
A nightmare in
bright daylight

es
perhaps
should
really go
home
early

will help you
get to your
classroom

Not twice

cannot let
make myself
sit and watch
it happen
again

Am
am going to
be doing the
experience
studying
tomorrow
will sneak
out somehow
So stay in
school

What
Didn't
juniors do
that
already

It looks like
Jang Te Hyeon
is the most
vulnerable
route to attack

They sure did
Unfortunately was
in the fencing
tournament at that time

will have to do
some volunteering
works tomorrow
was told need
to clean the national
cemetery and few
other things

Didn't they do
that in June?

Only freshmen
did.
Why do we have
to stay in a
cemetery for
hours.

It's to remind you
of the ones who
fought for the country
and such stuff.

Even though Yang
Han Nam is the one
in power. He is a
good son who doesn't
do anything against
his father.

It's the best route to
put pressure on
Yang Han Seo.

will have to
move him.

Do you still have
a bad relationship
with the chairman
Park's son?

It seems you
and he had a
fight at
school.

It is fine as
long as it's just
a fist fight
between two
men.
However
do not make it
too personal.

It seems
it's a woman
problem, yes.
The woman
you used to
call jang
is she the
cause.

달달한

It's already
past, sir.

Looks like she had
a portion of your
mind since you had
to call it a "past"

Act wisely son
if you fight the
Park head on
nothing good will
come out of it

Well it's
the same
for them
as well

I am very
well aware
father

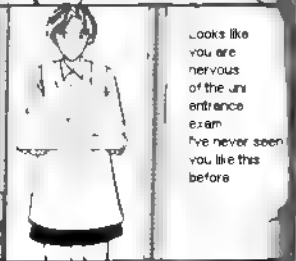

You seem to
be taking
aspirins a lot
lately

Yes. It seems
my headache
is back

Looks like
you are
nervous
of the uni
entrance
exam
I've never seen
you like this
before

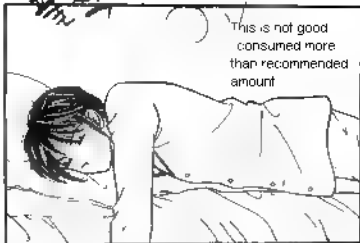

The entrance exam
he came back for
only that?

am sure he has
elsewhere to go
regardless of
his grade

444

This is not good
consumed more
than recommended
amount

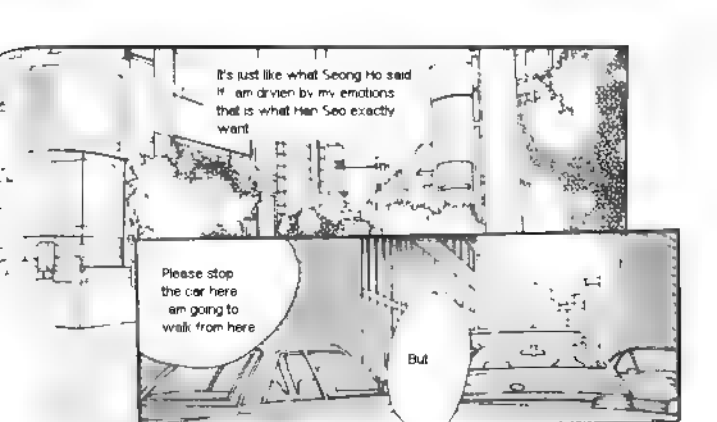

ou've become weak
Park Sin 100

It's just a mere dream
It did not mean anything
It's simply caused by
stress That's all

It's just like what Seong Ho said
If I am driven by my emotions
that is what Han Seo exactly
want

Please stop
the car here
I'm going to
walk from here

But

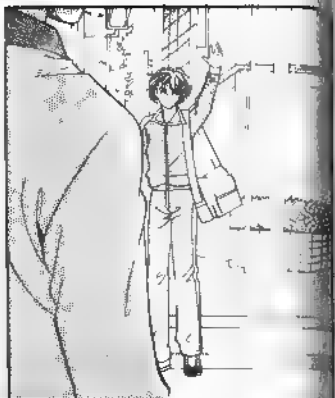

just want some
fresh air because
I have headache
That's all

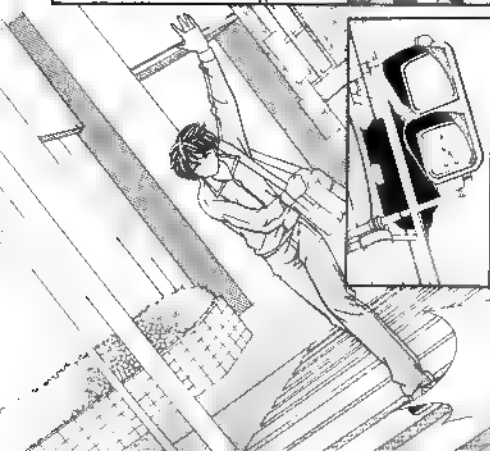

Did I come too early
don't see a soul
The nightmare woke me
up too early

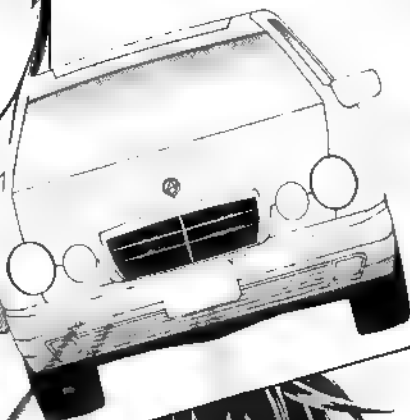

is she out for jogging or
something
She is really easy to spot
with that exercise
uniform

Don't run Ha li
It's turning to red
light

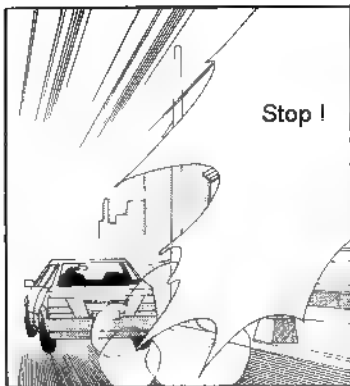

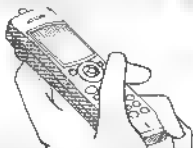

Stop !

This
This is Sin... I'll
need you to track
a car
It's a car number

The car number

it's

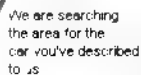

Recall your
memories
It just happened
It is in your head

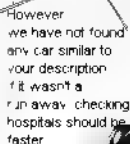

There is not
much time !!
Come on !!

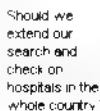

Oh my God
cannot
remember
anything

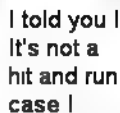

We are searching the area for the car you've described to us

However we have not found any car similar to your description. It wasn't a run away. Checking hospitals should be faster.

Should we extend our search and check on hospitals in the whole country?

I told you!
It's not a
hit and run
case!

It was a
carefully
planned
accident !

It was planned !
And Jang, Han Seo did it !
There is no one else !

Stupid, you are really stupid
Park Sin, too
you knew this would come
and you let him do it right
in front of you.

What
you, again?
Get out
before
the class
starts

Ha li
where did you
take Ha li to

What are
you talking
about

won't ask
you for the
responsibility
for this

So just tell me

Ha Ji ,
where did you
take Ha Ji to ?

Hospital ,
we have to take
her to a hospital
right away

She's hurt

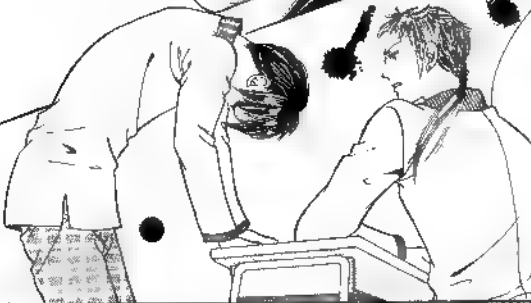

Crazy bastard
Do you really think
I am stupid enough
to fall for that again

Get out
of my face!

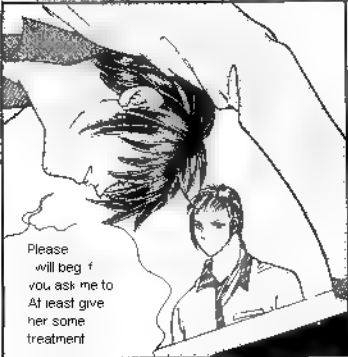

She lost a lot
of blood
Did you treat
her ?

Don't leave
her like this

Snap out of it
Park Sin too
looks like
Ha-li has caused
yet another
accident
Enough with
your delusion

Please
will beg if
you ask me to
At least give
her some
treatment

Have you
gone
insane ?!

What are
you doing ?!

Tell me
Where did
you take
her ?!

Oh
crazy
bastard

Say it !

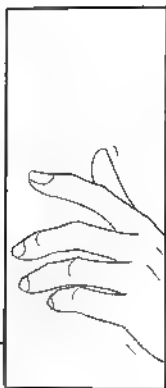

화

Han Seo !!!

우

당

탕

Shut up
if you have time
to yell
call an ambulance
now

Han Seo !

Jang,
Han Seo !

Get a hold
of yourself !
You are fine,
right ?!

Han Seo

What a
nice poker
face you
have

Quit your playing
and stand up
young Han Seo !!
You are not the
kind of person
who'd get hurt
from just falling
off a second floor

You have gone
really crazy

Get up !

What
are you
doing ?!

Tell me
where Ha Ji
is right
now !

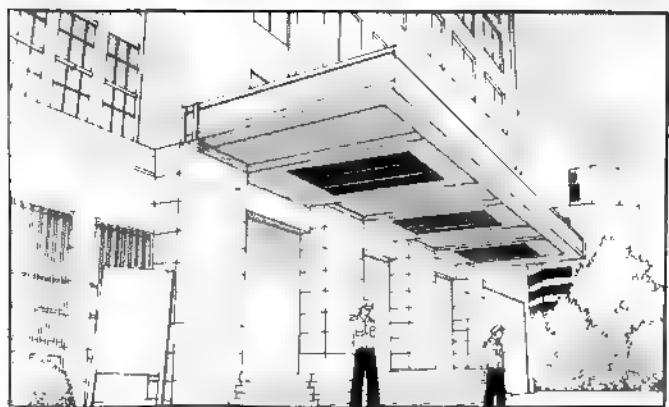

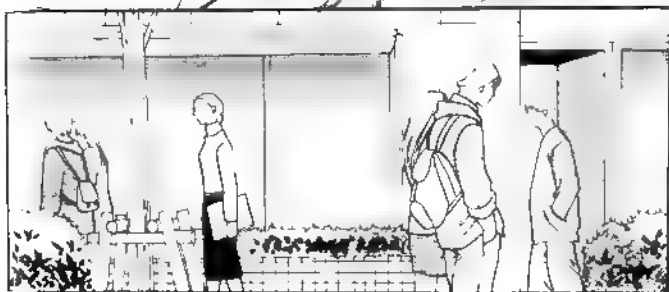

Enough with your
stupid play
am not falling
for it

Get up !
Jang, Han
Seo !

Stand up !

Stop insisting
and confess
What was your
motive

I've had enough
with your
fantasy story
about some
car accident
What was your
real motive

I am told that you
two have had a bad
relationship

It looks like the
one you threw
out of window
was quite of
a bad guy
Has he been
beating you
if so it will help
you greatly to
reduce the sentence

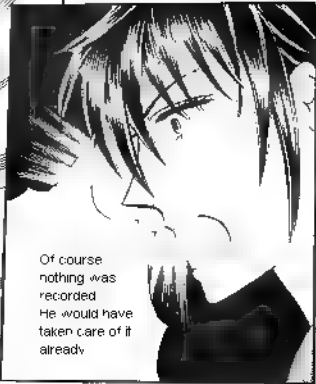

I don't have
time for this

My girlfriend was hit
by a car and was
taken away
I need to find her
and get her to
a hospital

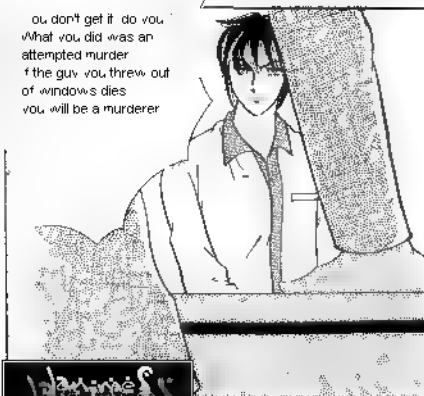

Enough with
your nonsense
We check on
the road you
told us
No car accident
happened
this morning

Of course
nothing was
recorded
He would have
taken care of it
already

**You idiot !
No one
can erase
blood from
a road
completely
in public !**

ou don't get it do you
What you did was an
attempted murder
if the guy you threw out
of windows dies
you will be a murderer

Detective
Park
a moment
please

Be warned
attorney
Kim Sang
Hak is
here

Why is that
expensive
guy here?
It's not like
we have
someone
big

see
was wondering
why he was
so straight forward
and imposing

Oh, look fine
Park Sin-woo
It looks like
nothing illegal
and violence
was done to you

you are late
Please don't
waste your time
in arguing and
call director Lee
right away

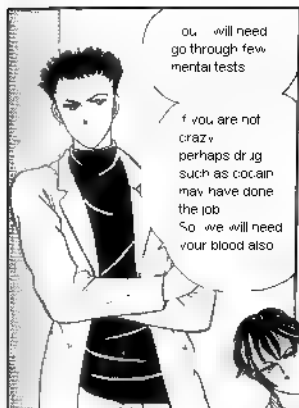

if we waste
any more time
it will be too
late

heard what
happened
Be quiet for now
you need to
choose your
right to refuse
answering

There is no time
to waste
if Yang Han Seo did
really mean to go
to the end
Ha Il is nothing but
a mere fresh meat
for him

is that so

Hey wait you two

time

mental tests

such as cocaine

the job
So we will need
your blood also

Choose words
wisely
ou can be sued for
this

Too bad for you. Mr

But your customer

issues

Well there is
nothing we or
you can do f
the victim's
family wants

punished
severely

ou really

Coming up

Sin Joo

Thank you, God

Sin 100

Should you
be here like
this?
Did you get
some treatment
for your head
injury?

my head
what?

Did you get advanced
treatment ?
The side effect of
a car accident is
dreading
Besides, you lost
too much blood

Accident
What
accident

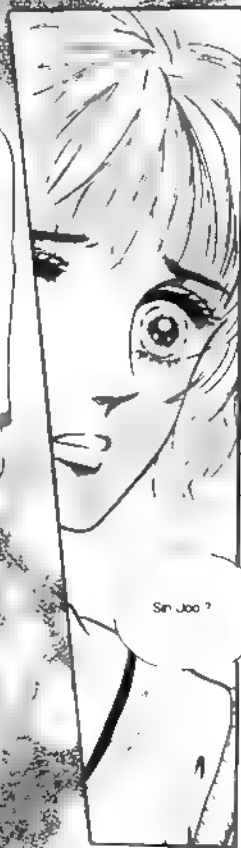

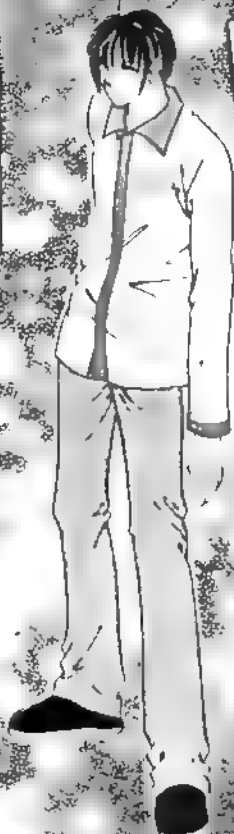

The car accident
you were involved
with this morning
in front of school

didn't go to
school
today

told you
I'd go to
the national
cemetery for
cleaning

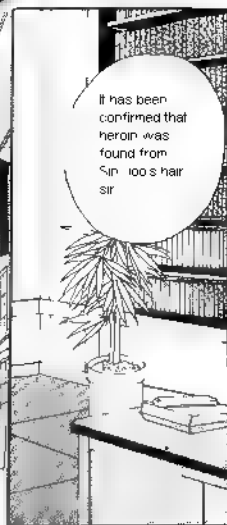

Sin Joo ?

What did you
see?

It has been
confirmed that
heroin was
found from
Sir 100's hair
sir

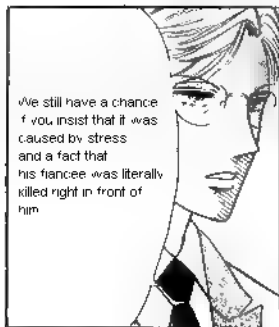

It looks like
he had a
series of
delusion
as a side
effect

Heroin

My son
Sin 100

We still have a chance
if you insist that it was
caused by stress
and a fact that
his fiancée was literally
killed right in front of
him

don't care how
Get him out
ASAP

Before
the gang
gets their
hands on
him

Jeong
Hyeop I

Ha k ?

How is
Han Seo ?
is he awake
yet ?

asked a lot of
nurses
they wouldn't
even tell me
where he is
What's going on

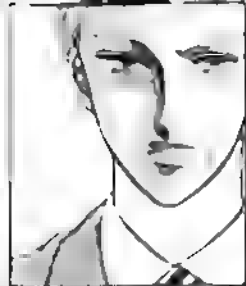

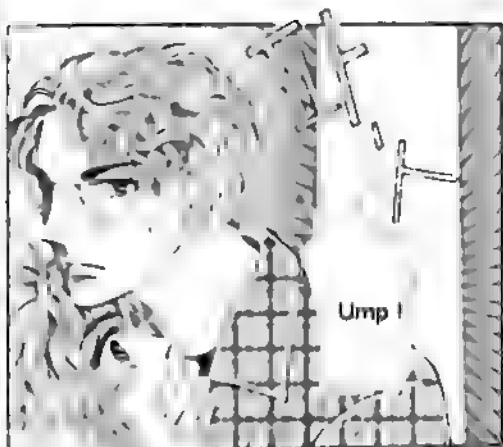

He is still
unconscious

Don't worry about it
too much
Doctor Shin is
taking care of
Han Seo from
the ambulance

He is the lang's
doctor and has
been in charge of
Han Seo ever since
he was young
I am sure he will treat
Han Seo with his best
ability

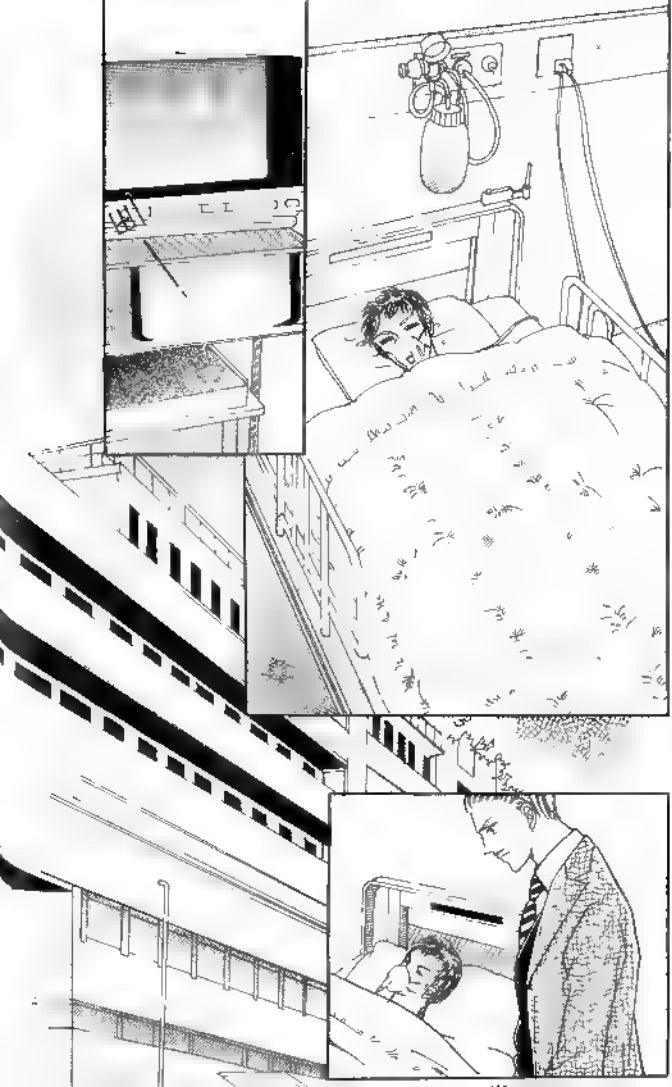

The iang's eldest son
has your file in his hand
The headman of iang
should have been notified
of you by now

Run Ha li
Just run
They are not some
gangsters you used
to deal with
They are killers
They kill you and don't
even ask you questions

Sire, you
are here.

I am very
sorry, sir.
But his wounds
are not critical.
He should regain
consciousness
soon.

Not yet
...?

The bruise
on his face
and body should
be healed soon
as well.

I was informed
that ... he kept
kicking my son's
face even when
he was
unconscious?

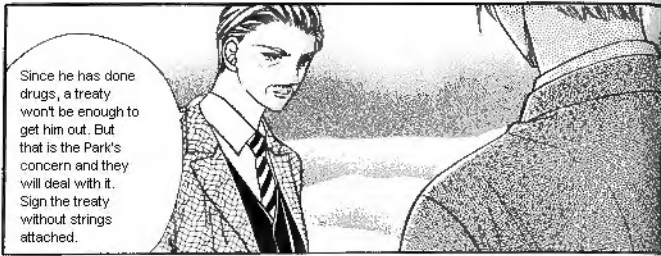

It seems ...
so ...

Let him go.
Sign the treaty
from the Park.

Father ?!

Since he has done drugs, a treaty won't be enough to get him out. But that is the Park's concern and they will deal with it. Sign the treaty without strings attached.

It is better to send him over to a juvenile reformatory.

No - it will be too easy for him.

One gets more desperate for live when there are more ways to run.

Get well soon,
my youngest son.
I will make sure to
sacrifice him for your
wellness
before you wake up.
